Attorney Docket No.: BRONNE00402

**REMARKS**

This is in response to the Election of Species requirement of August 17, 2005. Applicant elects with traverse #1 characterized by figure 4A. Applicant believes that the various species noted by the Office Action would not present a serious burden in the absence of an election of species.

Applicant is cancelling claim 8 as being a duplicate of claim 4 and wishes to express gratitude to the Examiner for raising this objection.

Applicant further notes that a terminal disclaimer is being resubmitted with this amendment.

Applicant believes all outstanding issue raised in the previous Office Action are addressed herein and that all claims are in condition for allowance. If the Examiner believes a telephone conference would expedite prosecution of this application, a telephone call to the undersigned at (650) 242-4212 will be appreciated.

Respectfully submitted,
